Reference letter received from Jeffrey Ferrell, representing the Federal Express Corporation, dated 11 Dec 03.

- a. The purpose of this modification is to change the following in Paragraph 5e, Block 19-24, Schedule of Supplies/Serivces, Accessorial Services:
- (1) The Delivery Area Surcharge for FedEx Express shipment to commercial locations in select ZIP Codes, as reference on the FedEx website, is decreased from \$1.75 to \$1.00 per package. Residential Delivery Surcharge at \$1.75 per package is added.
- (2) Added is the surcharge for express shipments to remote, sparsely populated or geographically difficult-to-access areas of Alaska at \$15.00 per package.
- (3) Added are oversize package charges. Certain US domestic express packages will now be rated as oversize packages and a minimum of 90 lbs. will be used for rating. This rating will apply to packages that: (a) exceed 108 inches in length but are less than or equal to 119 inches in length or (b) exceed 130 inches in length and girth but are less than or equal to 165 inches in length and girth. All oversize packages greater than 108 inches in length or 130 inches in length and girth will also be subject to a charge of \$30.00 per package.
- (4) Added Note: Dimensional weight pricing now will apply to all US and Puerto Rico express shipments in customer packaging at or below 1 cubic foot in volume. FedEx Express will continue to apply dimensional weight to all US and Puerto Rico express shipments greater than 1 cubic foot.
- b. Effective date of this modification will be 30 days from the Administrative Contracting Officer's signature.
- c. There are no other changes to the Blanket Purchase Agreement as a result of this modification.
- d. Revised pages are attached. Changes are highlighted.
